Parking:

There is a variety of parking available. Please ask for directions at the boat when you arrive.

Contacting Columbia III:

The Columbia III can be contacted at these cellular numbers: 1-888-833-8887 and 250-202-3229. In the case of an **extreme emergency**, the boat can be contacted directly by calling the Canadian Coast Guard in Comox (250) 339-3613. Ask them to send a message to MV Columbia III (quote this number: MMSI# 316-003-614) sailing in the Discovery Islands area. We are often off the boat so expect a response to take 12 hours. The ship's phone is not for guest use.

Meals:

We are happy to accommodate any personal dietary needs including vegetarian and vegan. Wine will be served with the evening meal. If you would like an alternative to alcohol please let us know on your medical form. **Please notify us of any food allergies or needs on the medical form well in advance of your departure date.**

Medical, Allergies, and Other Concerns:

Mail us your completed Medical Form ASAP. Your tetanus vaccination must be up to date (less than 10 years old) before you leave. Be sure to bring enough of your required medications as you will be far from any drug stores. We may encounter minor ocean swells so if seasickness is a concern, please bring anti nausea medication. But rest assured, we travel in very sheltered areas and overnight in calm, protected bays. We do our best to avoid swells and waves!

Weather, Clothing, and Packing:

Our skipper and certified guides will not take you in any weather conditions that are dangerous to you or the group. We will likely encounter some wind and waves (the ocean is not always flat!), but nothing that would compromise the safety of the group or a beginner kayaker.

For maximum comfort, a layering system of lighter "quick-dry" and warmer fleece clothing works best. Merino wool is excellent as well. Avoid cotton which stays wet for a very long time. **Waterproof raingear is essential. When getting in and out of the skiff or your kayak on shore excursions your feet WILL get wet. We suggest a pair of sturdy water sandals/ shoes or rubber boots.** Sports gloves for paddling may add to your comfort and help prevent blisters. Proper protection from the sun is **essential** so bring sun glasses, a sun hat, sun block and lip screen. Bring a water bottle. **Staying hydrated in the outdoors is very important.** When aboard the mothership, comfortable casual clothing is nice to change into after paddling.

Consider bringing the items listed on the packing list we provide.

We have waterproof bags (dry bags) onboard that you can use for your cameras or other small items on our skiff or kayaking shore excursions if you like. Large Ziploc bags work as well. Hard suitcases are difficult to fit into the small storage compartments on the Columbia III, so if possible, bring your things in soft duffel type bags.
